

Nilda's Closet

A Component of the Connecticut Women's Education & Legal Fund's
Legal Education Program

Many of the clients who come to CWEALF are some of the most vulnerable people in Connecticut: mothers earning less than \$25,000 a year. **They are already facing an economic battle to provide for their families and their legal issues only add to their hardships.**

Because of the support of community members like you, "Nilda's Closet" was launched. Affectionately named after CWEALF's bilingual Community Advocate, Nilda, "Nilda's Closet" is filled with books, winter gloves, toiletries, gift cards for groceries—basic essentials to help families facing tough financial times.

Please donate to "Nilda's Closet" today!
