YES! I support the most inclusive definition of family which covers all types of family structures.

Because:

WHAT SURPRISES/UPSETS YOU ABOUT CT'S CURRENT PAID SICK DAYS POLICY? Check off all that apply

- That it **leaves out 88%** of our workers.
- That the **states bordering CT have better** paid sick days.
- That it only allows the 12% of workers it covers to **use them for a child or a spouse.** I care for more people than that!
- That they can use their paid sick days **after working 680 hours and 10 hours a week.**
